

We are ready to land the talents you need

Sky Hunters integrates the **aerospace and defence industry** knowledge with the one of Human Resources.

### ● **One global team**

With 18 offices around the globe, our consultants all cooperate to help you reach your goals.

### ● **Global sourcing**

When we take on a project, we don't stop at nothing looking for the perfect candidate, not even at countries borders.

### ● **We know your Business**

You will work with consultants with first-hand experience in the A&D sector: we have already covered executive positions in the industry.

### ● **Client focused**

We understand your needs and we work with you for the duration of the whole project to help you find what you are looking for.
